We found some things
and you lost some things . . .

from Gerry Holland,
your smiling Registrations and Receptions Manager

THANK YOU everyone for your co-operation at the
Registration Desk at Brighton.

We found things worked pretty well this year and I would especially like to commend the co-ordinators of clubs who registered groups. With many groups numbering over 60 (one over 190!) and two over 100, an enormous amount of work had already been done before the convention by these folks. Thank you very much to everyone concerned.

FOUND AT BRIGHTON: One pair of specs in an orange-coloured Specsavers Opticians pouch with a blue SAGA ballpoint pen; One pair of sunglasses, large lens, tortoiseshell frame; Barclays Bank cheque book (call me with the account number).

LOST AT BRIGHTON: One chorus shirt, white, North East of England, made by Stagewear Limited, belongs to Bryan Donkin, Chairman of that club.

AND FINALLY: For this who want to explore the world of overtones, call 0891 168243 for what can only be described as a "what!" experience. No, it's not one of those numbers. Would I kid you! Try it.
