COMBINED CONTESTS (National Chorus Prelim) - 2000/01

The figures on the left are the actual marks awarded by judges. Those on the right are normalised to compensate for any differences in panel size between the contests which make up this report, and may consequently NOT be the actual awarded marks. Decimal fractions may exist in the right-hand columns. Rankings and percentages are based on the normalised figures.

This report collects together contests of the same type, level and thread, and lists contestants down to the rank chosen by the user (default is all contestants). It is intended to assist the Contest Administration team in arriving at contestants and mic warmers for a future contest. Contestant rankings take account of possible different judging panel sizes between contests. If the user chooses a threshold rank of zero, this report will contain no data.
