Article 2

National Contests

The National Quartet and Chorus Contests shall be held each year in conjunction with the BABS Annual Convention and shall be under the general supervision of the BABS Guild of Judges, hereinafter called "The Guild". The following procedures shall be observed unless otherwise ordered by the Guild.

- (a) Preliminary Contests may be held as deemed necessary.
- (b) If necessary, byes may be given in the Preliminary Contests.
- (c) **Q** At the BABS Annual Convention, quartets shall be judged in the first stage of the contest, which will be known as the BABS Quartet Semi-Final.
- (d) **Q** From the Semi-Final, the top six quartets plus ties shall be selected to compete in the Final Contest.
- (e) **Q** At the end of the Final Contest, the placing of quartets shall be computed by the combined scores obtained in the Semi-Final and Final Contests. Contestants placed first, second and third shall be designated Medallists, whilst the remaining contestants appearing in the Final shall be recognised as Finalists.
- (f) **C** Following any Preliminary Contests, choruses shall be judged in only one stage, this being called the Final of the Chorus Contest.

Article 3

- (c) **Q** Qualification for International will normally take place at a BABS organised contest. In exceptional circumstances, a BABS registered quartet may request to compete in a contest run by another national barbershop organisation. To be eligible for consideration to represent BABS at International, the quartet must obtain approval from the BABS Board and the other national organisation in advance of the contest being held.

- (c) Copies of the current Contest Rules can be obtained from the Guild web-site.

Article 9

Order Of Appearance On Stage

- (a) Contestants shall sing in the order in which their names are drawn by the Chairman of the Guild or his appointee, except as allowed in Articles 8(b) and 10.
- (b) Violation of Article 9(a) will be penalised under Article 15.

Article 10

Penalties for Tardiness

Any contestant failing to perform in the assigned order of appearance shall, unless there are exceptional circumstances, be penalised. The penalty will be 15 points on a single panel of judges, 30 points on a double panel, 45 points on a triple panel etc. The Chairman of Judges shall have the power to waive the penalty where the situation that has arisen to cause the tardiness is clearly outside the control of the contestant. The Chairman of Judges shall permit such contestant(s) to appear where minimum inconvenience is caused to other contestants.

Article 11

Contest Material

- (a) A song performed in contest must not be primarily patriotic nor primarily religious in intent.

- (b) A song performed in contest must be in good taste and have a melody and implied harmony consistent with the barbershop style. All songs performed in contest must be arranged in the barbershop style, which is an unaccompanied vocal style of music. Songs must be sung without any kind of musical accompaniment and without instrumental introduction, interlude, or conclusion. The latter provision applies to both the entire performance and each individual song.

*Contestants are referred to the BABS Judging Reference Book or to any qualified member of the **Music Category** for a detailed explanation of the Barbershop style and suitability of a song.*

- (c) Gestures or visual presentation by any contestant that are deemed suggestive, vulgar or otherwise not in good taste will not be allowed. The Performance Category judge(s) will be responsible for applying penalties up to and including forfeiture for violation of this rule.
- (d) In chorus contests, selected use of a soloist, duet, trio or quartet is acceptable providing it is brief and appropriate. At no time should the musical texture exceed four parts.
- (e) Songs used in contests should be sung in the English language except for the occasional word or phrase which may occur naturally as part of the song.

Any difficulty in understanding a song (whether due to language or otherwise) reduces a judge's scope for rewarding the performance.

- (f) Disregard of Articles 11(a) may result in points reduction or forfeiture by one or more judges, as explained in the BABS Judging Reference Book.
- (g) Disregard of Articles 11(b) - (e) may result in points reduction by one or more judges, as explained in the BABS Judging Reference Book.
- (h) Contestants must comply with copyright laws in the acquisition, arranging and learning of songs for contest performance.

Article 12

Number of Songs

- (a) At each stage of the contest, including the Preliminary Contest, contestants shall sing two songs, either or both of which may be a medley.
- (b) **Q** Taking the Semi-Final and Final Contests as a whole, no song (including constituent songs of a medley) may be sung more than once.
This rule is not intended to bar the use of musical quotes. Material sung at a Preliminary Contest may be repeated at a later stage.
- (c) **C** No song, including constituent songs of a medley, may be sung more than once.
This rule is not intended to bar the use of musical quotes. Material sung at a Preliminary Contest may be repeated at a later stage.
- (d) The title of every song, including the constituent songs of a medley, shall be recorded. The Chairman of Judges will penalise any violations of Articles 12 (a), (b) or (c) under Article 15.

Article 13

Scoring Categories

Judging of contestants' performance will be carried out in three categories: Music, Performance and Singing. Each category may use up to a maximum of 100 points per song per judge.

For the criteria being judged refer to the current BABS Category Descriptions from the Guild web-site.

Article 14

Sound Equipment and Stage Effects

- (a) Lighting and electronic amplification will be the same for each contestant during a contest. Contestants may not use their own or additional in-house electronic amplification, sound producing equipment or changed lighting.

Establishment of pitch using an electronic pitch pipe is permissible.

- (b) Contestants may use props, but they should be limited to those which can be easily carried on and off stage by one person.

Any queries with regard to props should be referred to the Quartet or Chorus Contest Manager prior to the event.

- (c) Contestants should leave the stage in the same good condition as they would wish to find it for their own performance and props should be chosen accordingly. Anything that can be quickly cleared by a stage hand is acceptable. Confetti and similar small material that requires extensive clean-up is banned from use in both chorus and quartet contests. Other materials which are difficult to clean-up (requiring mops, brooms, vacuum cleaners, etc.) are strongly discouraged from the stage.

Any queries with regard to props should be referred to the Quartet or Chorus Contest Manager prior to the event.

- (d) A chorus may request the use of a provided stage microphone during a performance for an announcer, as provided by Rule 16. Written notice of such requirement must be given to the Contest Manager no less than 30 days before the contest. Such microphones shall be turned off at all other times.

Microphones used for announcements are normally not switched on during a performance.

- (e) Any effects used on stage which make loud or sudden noises must be declared in advance to the appropriate Contest Manager with specific details of where the effect will occur.
- (f) Violation of Article 14 will be penalised under Article 15.

Article 15

Disqualification

The Chairman of Judges shall be responsible for penalising violations of Articles 7, 9, 12 and 14. The penalty is disqualification and such contestants shall receive no score and shall not appear on the official scoring summary, except by way of a note using the wording

"Contestant.....disqualified: Violation of Article....."

Article 16

Verbal Comment

Non singing dialogue is generally not part of a contest performance. However, relevant **brief comment** with supporting visual communication are permitted, to help establish the mood and/or theme, before, in between and at the end of the performance package. Spoken words deemed to be excessive or detrimental to the performance shall be penalised by the Performance Judge(s) up to and including forfeiture.

Article 17

Disturbances during Contests

Should any event occur which, in the opinion of the Chairman of Judges, adversely affects the contestant, such contestant shall be offered the chance to sing again after the last contestant has finished and at least fifteen minutes after the disturbed contestant has left the stage. The contestant shall be given a reasonable period of time to make a decision. If the contestant accepts the offer, the scores from the first performance will be discarded and the contestant will be judged on the second performance.

Article 18

Ranking of Contestants

- (a) Contestants shall be ranked in accordance with the total score of points awarded by the judges.

- (b) If two or more contestants are awarded the same total score, including all previous rounds except Preliminary Contests, ties will only be broken for 1st, 2nd and 3rd places in Finals. The method used for breaking ties will be:
- 1) The highest total score awarded by the Singing Judges will be ranked as the "Tie-break" and that contestant will be ranked above the other(s) in the tie.
 - 2) If a tie still exists the highest total score awarded by the Music Judges will be ranked as the "Tie-break" and that contestant will be ranked above the other(s) in the tie.
 - 3) If the tie is still not broken the following shall apply: The "Tie-break" shall be the highest total score at the Preliminary contest. If the tie continues unbroken the Singing score at the Preliminary contest shall be the "Tie- break" and if still not broken the Performance score at the Preliminary contest shall be used.
 - 4) In the event where a tie cannot be broken for 1st, 2nd or 3rd place, joint medallist status will be awarded
- (c) Total scores for 4th place and below will be ranked as equal placing. At Preliminary contests ties will be ranked as equal placing and if there is a tie at the cut-off for the Semi-Finals or Finals contest, all tied contestants will go through.

Where there have been no qualifying Preliminary rounds, it may be necessary, if the above procedures result in a tie, where only one can go forward to a Society contest, for a draw to be held to determine which group is given first refusal to go to that contest. Such a draw would have no effect on the status of the groups concerned.

Article 19

Publication of Results

At all BABS contests, results shall be made known by the Chairman of Judges or an appointed nominee for each stage, as follows:

- (a) An Official Scoring Summary shall be displayed at the contest site, showing the score per category and per song; details of any penalties or disqualification by the Chairman of Judges, including the Article number violated; details of any ties; and the names of the Judging Panel.
- (b) The scores obtained by the Finalist Quartets in the Semi-Finals shall be held over for publication after the Final.
- (c) There shall be no public announcement at the venue of penalties and disqualifications.
Publication of a full report detailing penalties and forfeitures will be available on the web-site in a suitable time frame after the contest.
- (e) Following the public announcement and publication of results to the satisfaction of the Chairman of Judges, there can be no change to rankings or scores.
